

# CULTURAL PLAYGROUND

DISCOVER JOY THROUGH UNDERSTANDING

“Cultural Playground” is a social enterprise project of HKSCH Lady MacLehose Centre. It provides multi-cultural workshops and classes including drawing, cooking of SE Asian food as well as dancing for corporate clients and individuals who are interested in Southeast Asian culture.

The social enterprise also aims at providing a platform for promoting harmonious coexistence amongst different ethnicities and the society and helps the public to discover the advantages and qualities of minorities. The SE also provides flexible and enjoyable working opportunities for the ethnic minorities to enhance their self-sustainability.

《Cultural Playground》是「香港聖公會麥理浩夫人中心」成立的社企，主要為企業客戶及對南亞文化有興趣人士舉辦不同多元文化工作坊，包括繪畫、東南亞美食烹飪及舞蹈等興趣班。

社企目標是提供一個平台讓不同文化背景的人相聚，讓更多市民認識少數族裔的文化及其專長和優勢，同時亦能為少數族裔提供合適而具彈性的就業機會，讓她／他們可以發揮潛能，自力更生。
